

“The Life of an Apple” Assignment

Write a short story about the life of an apple.
In this short story, you need to write about:

- How an apple tree changes over the seasons
- How an apple grows
- How an apple is picked
- What an apple tastes like

Make sure to use lots of great descriptive words,
and words from your apple vocabulary list.

Once you have finished writing, draw and colour
a picture to go along with your story.

** When you are finished, you may read a book, or use the computer to play
one of the Apple games ***
